Proceedings: (IN CHAMBERS) ORDER DEFERRING CONSIDERATION OF
EFFECT OF CONSOLIDATED COMPLAINTS

The Court had hoped to deal with the parties' conflicting positions with regard to the effect of the Economic Loss Master Complaint and the First Amended Consolidated Complaint at the September 13, 2010 hearing. However, the Court has not had an adequate opportunity to absorb the parties' September 9, 2010 filings and the full ramifications of their arguments. (See Docket Nos. 319, 320.) Moreover, plaintiffs feel that by filing simultaneously, they have not been able to respond to a full-blow presentation of the Toyota defendants' position. (Docket No. 320, pp. 1-2.)

Accordingly, the Court defers this issue to the already-scheduled hearing on September 20, 2010. In addition, either side may file a supplemental response of no more than seven pages by 4:00 p.m. September 14, 2010.
